ON the 9th Instant the Vice-Chancellour of the Empire, being upon his Departure to his Bishopricks, gave a magnificent Entertainment to a great Number of the Nobility and other Persons of Distinction. The same Day Sig. Passionei, the Pope's Nuncio, arrived here, but it is not yet known when his Eminence the Cardinal Grimaldi will set out from hence. The Turkish Consul here has obtained Leave to go and meet the Aga, who is expected in a little Time. The Orders issued to the commanding Officers of the Imperial Troops that came lately from Hungary, to hold themselves in Readiness to return thither, are countermanded. Caserns are building here for 1500 Men of the Militia, who are for the future to do Duty in this Capital. The Prince Emanuel of Portugal arrived the 10th Instant at Laxembourg, where he was entertained in the Evening with a fine Consort of Musick. The Count d'Althan is upon his Departure for Carlsbad in Bohemia, and from thence he will proceed to Brussels. Yesterday being the Anniversary of the raising of the Siege of Barcelona, the Emperour came from Laxembourg to this City, and went in Ceremony to the Cathedral, where *Te Deum laudamus* was sung, and a triple Discharge of the Cannon upon the Ramparts was made. This Day the greatest Part of the Ministers, as well as the Nobility, will go to Laxembourg, to compliment the Archdutchess Theresa upon her Birth-Day.

Admiralty-Office, April 30, 1731.

The Lords Commissioners of the Admiralty being sensible of the Poor Circumstances that many Officers of the Navy do leave their Families in after their Death; and having applied their Thoughts to find out some Provision for relieving the Necessities of the Widows and Children of such Poor Officers; and being of Opinion, that nothing will so effectually answer so good a Purpose, as a voluntary Agreement and Consent of the Commission and Warrant Officers of the Navy, to allow of an Abatement of Three Pence in the Pound, out of their Personal Pay and Half Pay, and that the Fund arising thereby, as well as such other Benefactions which well disposed Persons may at any Time contribute, be put under the Management of a Body of Men incorporated together by a Royal Charter, to be applied to the Relief of Poor Widows and Children as aforesaid: In order therefore that the Officers of the Navy may be apprized of the Nature of the intended Corporation, and that it may be known, whether they are in general willing to consent to the proposed Abatement; their Lordships do hereby give Notice, that Printed Schemes are lodged at this, and the Navy-Office, as also with the Commissioner of the Navy, or Chief Naval Officer at Deptford, Woolwich, Chatham, Sheerness, Deal, Portsmouth, Plymouth, Harwich, and Kinsale, where all such Commission and Warrant Officers, as are so minded, may go and peruse the same; and such of them as are willing to allow of the Abatement proposed, are desired to subscribe their Names thereto.

By Command of their Lordships,

J. Burchett.
